

## **Wentwood Forest and Unlicensed Music Events**

### **(Illegal Raves)**

Unfortunately this year there have been two Raves in Wentwood Forest, the 1<sup>st</sup> on 5<sup>th</sup> May and the 2<sup>nd</sup> on 30<sup>th</sup> June.

Each time access was gained by the Rave to an area of Wentwood Forest through gates on the forest tracks. To try and make it difficult for the Rave organisers to use Wentwood Forest there are a few things that can be done by the local community.

If you notice a gate in Wentwood Forest is not secured:-

- 1) If the sign by the gate has a number, report the unsecured gate to Natural Resource Wales by phoning 0300 065 3000 and quote the gate number
- 2) If there is no sign by the gate report the unsecured gate to Woodland Trust by phoning 02920 027732 and reporting the location of the gate.

If you notice either of the following report it to the Police by phoning 101

- 1) An unusual amount of traffic heading towards Wentwood Forest particularly late evening
- 2) If you hear loud music and sound checks in locations where this would not be expected

Thank you

Shirenewton Community Council
